By funneling grants and resources directly to the heroes on the ground who are tirelessly battling pet overpopulation, Fix Georgia Pets is not just saving lives, but fostering a future where every pet in Georgia thrives.

We Need Your Help

Over 50+ Reputable Rescue and Vet Partners

We partner with like-minded nonprofits and veterinarians who team with us to deliver affordable spay/neuter programs throughout Georgia.

Spay/Neuter Grant Distribution

Throughout the year, and as funds are available, we award spay/neuter grants to these partners.

Our Partner Commitment

Partners are vetted by our grant committee and required to provide spay/neuter reporting after each grant.
