

2026 Corporate Sponsorship Opportunities

- Annual Sponsorships
- Event Sponsorships

A Letter from Tricia Holder, CEO

Hello Georgia Pet Lovers!

I'd like to personally invite you to partner with Fix Georgia Pets 2026 spay/neuter mission to help reduce Georgia's ongoing pet overpopulation epidemic and high euthanasia rates.

We are seeking sponsors for our upcoming events. A partnership allows your company/organization to align with a statewide cause receiving visibility among our attendees, followers and numerous communities.

In 2025, Fix Georgia Pets accomplished the following:

- Awarded over \$333,000 in spay/neuter grants to partners in 141 counties.
- Resulting in 4,575 spays/neuters, preventing approximately 64,051 unwanted pet births.
- Built veterinarian partnerships, thus lowering costs by 20-90% per spay/neuter.
- Created and funded our individual spay/neuter voucher program in partnership with Georgia SPOT Society - this program needs a generous sponsor.

In 2026-27, our goal is to continue the work we started in 2025, and spay/neuter over 5,000 pets and new this year, fund six veterinarian training sessions in High Quality, High-Volume surgeries.

We are so grateful for your ongoing support and look forward to the opportunity to partner with you and seeing you at our amazing events!

About Fix Georgia Pets

Our Mission

To help stop the pet overpopulation epidemic and the ensuing high pet euthanasia rates, by providing proactive spay/neuter programs throughout Georgia, especially in areas of extreme need.

Georgia has a pet overpopulation crisis and is 5th in the nation for euthanizing companion animals. In the past two years, over 30,000 dogs and cats were euthanized EACH year in Georgia shelters. We aim to reduce the number of pets ending up in shelters throughout the state by supporting clinics, shelters, rescues, and other organizations who share our mission.

Our Vision

Our vision is a Georgia where every one of its 159 counties has access to funded, sustainable spay/neuter programs — and where the dedicated individuals battling pet overpopulation have the resources to win. We fuel the people closest to the problem, so that fewer animals even reach a shelter door, and every pet that does has a fighting chance.

**“We are Stronger Together,
Making a Difference Throughout Georgia,
Fixing One Pet at a Time.”**

About Our Grants & Partnerships

Fix Georgia Pets awards grants to fully vetted and reputable shelters, rescues, clinics or veterinarians for spay/neuter programs. These grantees become our partners and part of the FGP family, creating a network that comes together to support many communities.

Today our “FGP family” is 50+ strong and allows for spay/neuter programs all throughout Georgia.

Each organization is vetted by our grant committee and are required to provide spay/neuter numbers and stats after each grant before they receive any additional grants.

These partnerships have proven to be essential when performing large spay/neuter events. Recently 172 cats were fixed in Pickens County, while 40 dogs were fixed in Athens Clarke County. These are just two of our large events and more are required in the near future.

The Fix Georgia Pets Reach

Our network is established and growing throughout Georgia.

We reach communities in every corner of our state, providing low-cost or no-cost spay/neuter programs where they are needed most.

Most of these communities are in the midst of veterinarian deserts. Working together, our partners can provide transportation and other resources to meet the demands.

Help Us Meet Our Goal to Reach All 159 Counties!

By supporting Fix Georgia Pets, you provide the funds needed to award critical grants bringing affordable spay/neuter programs to underserved communities—reducing pet overpopulation, and giving thousands of dogs and cats the chance for a healthier future.

We’re committed to giving you the recognition and exposure you deserve. Every sponsorship level includes a thoughtfully designed marketing package that maximizes your visibility while showcasing your commitment to making a difference.

Whether you choose Annual or Event Sponsor, we offer an opportunity to fit any budget. Let us build a custom sponsor package for you, contact our CEO at: tricia@fixgeorgiapets.org
